## SPRING 2019

From the Desk of our SCA President

Black History Month Recap

SCA Scholarship Award Recipient

Green Opportunities Visits the Shiloh Community Garden

Donated Land from Asheville Eye

Historically African American Neighborhoods

*Building on the legacy. Embracing the future.*

## From the Desk of Our Shiloh Community Association President

Our community shows time and again how we are all connected not only by location but also by each other's good will. Shiloh is fortunate to be connected to organizations that lift up our youth, share their knowledge, and donate their time.

Did you know our connections reach as far as West Asheville? We are one of 3 communities in Asheville who contribute to the The E.W. Pearson Project. The mission of this organization is to aim to implement a regenerative grass-roots accountability system which is

designed to build, maintain, and protect pillars of resiliency. We are elated to see this initiative being carried out in each community and are always working to strengthen it right here in our neighborhood.

Organizations in and around Shiloh, help us see this idea coming together before our eyes. Project Lighten Up, formed as part of the E.W. Pearson Project, and Team Us focus on our children and young adults. Project Lighten Up is planning for their 2019 Summer Camp and Team Us will be hosting Shiloh Fun day this month. Over the last few years we have had many more moments to get to know each other because of the new opportunities created to gather together.

Our garden creates shoots of connections around town all in the name of creating a space to grow, learn and share. Bountiful Cities and Green Opportunities are organizations who love to help and give us the tools to have a thriving garden community.

These are only some of the events and people that live right here and desire to be part of this path that we have before us. What better time than summer time to be living out our moto - "Building on the Legacy. Embracing the Future"

## SCA 2019 Scholarship Recipient

The Scholarship Committee has selected Aryeon Shivers as the award recipient for this year. Aryeon is a senior at A.C. Reynolds High School. Her academic credentials more than meet our requirements. She currently has a GPA of 2.8. Her SAT score of 1280 is very good and exceeds the national average of 1060. Her score places her in the 81-87 percentile nationally.

She has demonstrated extensive community service as a volunteer at Laurel Summit Nursing Home, Tried stone Missionary Baptist Church Daycare, ABC-CM, Habitat for Humanity and Manna Food Bank. She was 2018 AC Reynolds Homecoming Queen and MVP basketball senior Year 2018-2019. She has worked at J & S Cafeteria and Belk's. Her letters of reference were complimentary and revealed her to be mature, motivated and an independent thinker.

She has been accepted for fall enrollment at NC A&T State University in Greensboro where she intends to study nursing. She is the daughter of Tonia Warren and Seneca Shivers.

## Green Opportunities visit the Shiloh Community Garden

LEARN MORE  
Green Opportunities  
[greenopportunities.org](http://greenopportunities.org)

Green Opportunities' mission is to train, support, and connect people from marginalized communities to sustainable employment pathways.

Green Opportunities' Youth Build crew begins work on a project to bring water from a street side source to our outdoor kitchen.

## Black History Celebration

A fantastic turn out for our Annual Black History Celebration. Enjoying the large potluck lunch

Speaker Quinten Miller

Speaker Debra Campbell

Our annual Black History Celebration brought a good group out this year!

Complete with a well loved pot-luck, Youth Stipend recognition, Speakers from our city, Buncombe Co. Sheriff, Quinten Miller and City Manager Debra Campbell speaking about ways that we can be good stewards of our community. With a formal recognition of the Linwood Crump Shiloh Recreation Center's namesake & other community members who were part of the school.

Lydia George & Sophie Dixon handing out youth stipend checks.

## Project Lighten Up Summer Camp

A recreation and educational summer experience.

Field trips to the Nature Center, Arboretum, UNCA, Nathan Ramsey's Dairy Farm, and WLOS.

Recreational fields trips include Swimming, Bowling, Skating, Movies, Bicycle Riding, and a trip to the Fun Depot.

\$35 Per Child  
Pick Up Registration Forms at Rock Hill Missionary Baptist Church

## Historically African American Neighborhoods

Asheville's Living Asheville Comprehensive Plan calls for strategies to honor the history and contributions of our African American community.

The City's Planning & Urban Design Department will undertake an architectural survey of the city's historically African American neighborhoods. The process will kicked off in March with public meetings where residents learned more about the project and signed up to provide their oral history.
